Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Franklin s Key: A Brief Biography of the Greatest American By means of a key Benjamin Franklin performed his best-known experiment, that of attracting the lightning from the clouds and proving that lightning is identical with electricity. But the iron key on the kite-string was not the real key to Franklin s success in life. Franklin s true key was a common-sense view of practical, every-day life. It is a kind of pass-key which will unlock the door of opportunity for you. Industry is a great and valuable thing so far as it goes, but it does not go far enough. Many make money, but they seem unable to keep it. To have and to hold is the sum and substance of success and happiness in life. Of all Poor Richard s wise maxims none contains the seed of a more flourishing and wide-spreading tree of truth than that homely little phrase: A Penny saved is a Penny earned. Franklin s life-story is here presented as a practical illustration of the success which is possible to every one who really wishes for it. Franklin accomplished great things by taking care of the little things of life as they came along. Franklin s Key is here offered you with our compliments and best wishes for your welfare and prosperity. Will you take Franklin s Key and make it the master-key to your own success in life?
