This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2012 in the subject Communications - Multimedia, Internet, New Technologies, grade: A, Stockholm University (JMK), course: Global Media Studies I, language: English, abstract: [.]Whether something is a myth or not, is hard to define as the perception of a myth the evaluation if a certain situation is exaggerated or not (Hafez 2007: 1) is always something very subjective and depending on the judge s viewpoint. So it is not surprising that in his book Kai Hafez comes to the conclusion that media globalization is a myth. He links strict requirements1 to the state of globalization and seems to be analyzing mainly German media products under this perspective. He is also largely focusing on the receiving end of media content the spectator (Hafez 2007: 14) and emphasizing the role of the medium television within the globalization debate. Although the comparatively minor role the internet plays in this work could be due to the fact that this medium first started its unprecedented exponential grow around 20072. Nevertheless he is neither emphasizing qualitative data...
