PHOTO ART: 35 WAYS TO USE OLD AND NEW PHOTOGRAPHS (PAPERBACK)

CICO BOOKS, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. Make the most of your photos with these 35 stylish projects. All of us have photos at home that we like and want to keep, but all too often they lay hidden away in packets or on a digital hard drive where we don't get to see or enjoy them. Ellie Laycock's aim with this book is to bring those images out of the dark and teach you how to use them to create wonderful new things for the home or personalized gifts for loved ones, so that these special images get a chance to shine. Discover how to use old slides to make a window decoration, as well as how to print onto fabric to create a unique bag or purse. Find out ways of using paper prints, from transferring images onto ceramics to decorating table tops. Unusual methods of framing photos are also included - why not try using old vintage watch housings as bracelet picture frames? Any techniques you'll need to know are clearly explained, making this an ideal source of inspiration for crafters both new and experienced.
