## RAISING SMART KIDS FOR DUMMIES

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Raising Smart Kids for Dummies, Marlene Targ Brill, So, you wanna turn Junior into a smarty-pants? What parent doesn't? Thing is, kids nowadays are more independent than ever and aren't always receptive to what parents want. In fact, if you tell your kids that studying is "good for them," they're more than likely to mumble, "Yeah, sure," in your general direction and head off to do something "fun." Sharpening the minds of your youngsters presents more challenges than climbing Mt. Everest, and the responsibility of making your kids use more of their brain cells can be overwhelming - even when you don't encounter resistance. Raising smart kids requires long-term commitment, sacrifice, and diligence - not to mention the patience of a saint. And as long as you don't obsess about being the perfect parent, you will be able to enjoy your kids' journey of self-discovery right along with them. But how do you accomplish this? How do you overcome the resistance? How do you tackle the overwhelming task of not only helping your children succeed in school, but also increasing their ability to make their own way in the world? That's where "Raising Smart Kids For Dummies" steps in to help. Written in easy-to-understand terms (and absolutely no slick psycho-babble), this book gives you sound advice on encouraging your kids to set their sights high and achieve success, whether at school, with friends, or in your community. And you don't have to be a new parent to gain insight from this book; experienced parents can reap rewards with the help of this book in their effort to raise fulfilled children. Here's just a sampling of what you'll find in "Raising Smart Kids For Dummies: " Recognizing the characteristics of...
