Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ronald Long, a prior undercover narcotics detective and a recent retired Sheriff, has been battling America s drug epidemic since the late 1970 s. This book is part of the author s continued effort to educate America regarding our drug addiction problem that is slowly squeezing the life out of this great country. This literary piece is a factual and interesting insider s view of addicted America as depicted by the author. Come along and take a walk in Narcotic Detective Ronald Long s shoes as he takes you to the streets that are controlled by felons and ruthless drug dealers. He also invites you to experience the challenges of being the Sheriff of a county that is besieged by the deadly grips of meth and heroin, along with vice crimes and human trafficking. From the Ozarks hills to the streets of some of the largest cities in Texas, this book promises an educational and unforgettable journey. Inside, readers will also discover the true facts surrounding this multi-faceted drug epidemic. Interviews from legislators, law enforcement and retired military officials, judges and drug counselors are contained within, along with their thoughts and efforts for slaying this out-of-control monster. This book also reveals numerous recommendations for saving our country, as depicted by Author Ronald Long and other professionals in the drug addiction arena. Unless we learn to control this epidemic, drug abuse could actually be the plague that destroys our country. This book is a must read for those who can, or want, to save the United States from the destruction that has been forecasted by some of our international adversaries since the Cold War. But some may be asking: is it already too...
