Reviews

The best publication i actually study. I actually have study and so i am confident that i am going to likely to study once more yet again later on. You will not sense monotony at at any moment of your respective time (that's what catalogs are for relating to if you ask me). (Ernest Bergnaum)

Penguin Putnam Inc, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. A dying girl gives a boy the strength to live in this lyrical novel that will break your heart and lift your spirit Peter Stone s parents and siblings are extroverts, musicians, and yellers--and the louder they get, the less Peter talks, or even moves, until he practically fits his last name. When his family moves to the Texas Hill Country, though, Peter finds a tranquil, natural valley where he can, at last, hear himself think. There, he meets a girl his age: Annie Blythe. Annie tells Peter she s a wish girl. But Annie isn t just any wish girl; she s a Make-A-Wish Girl. And in two weeks she will begin a dangerous treatment to try and stop her cancer from spreading. Left alone, the disease will kill her. But the treatment may cause serious, lasting damage to her brain. Annie and Peter hatch a plan to escape into the valley, which they begin to think is magical. But the pair soon discovers that the valley--and life--may have other plans for them. And sometimes wishes come true in ways they would never expect.
