Brand New Book ***** Print on Demand *****.Excerpt from **Notices of Mining Machinery and Various Mechanical Appliances in the Use: Chiefly in the Pacific States and Territories for Mining, Raising and Working Ores With Comparative Notices of Foreign Apparatus for Similar Purposes** The letter of instructions from the Secretary of the Treasury, in 1868, to the Commissioner of Mining Statistics, indicated as one of the most important subjects for inquiry, the relative merits of the various inventions, machines, and mechanical contrivances in use or projected for the reduction of the precious metals, and for all other purposes connected with the business of mining and metallurgy At the request of Commissioner Raymond, the writer undertook the preparation of a report upon the subject, and notices of the principal mechanical appliances in use were submitted, and printed as Part IV of the Commissioner s report to Congress for the year 1870. The present volume is a reprint of that part, with some modifications. Under the circumstances, it was not possible to prepare a systematic and comprehensive treatise upon the machines used in mining, and this was not attempted. The time and means were limited, and only the intervals between other daily duties could be devoted to the work. The notices were written in the winter of 1869- 70, and since the delivery of the manuscript there have been notable advances in the construction and use of mining machinery. The activity and enterprise of the miners of the Pacific slope is shown in the rapid succession of improvements. It is not possible in the ordinary course of publication of reports of this kind to keep pace with the march of improvement and discovery. However fresh and recent...
