Balboa Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.When I started my professional career I was told I was tenacious. I had to look up the definition. Determined or stubborn: tending to stick firmly to any decision, plan or opinion without changing or doubting it. The last few years I have been anything but tenacious. I tried one thing, if it didn t work, I immediately changed course and looked for another viable option. My heart goes out to parents who may find themselves in a similar situation. I had the background. I had resources. More than that, I had an undeniable fear. Fear that my kids would be lost in a world that didn t understand, nor WANTED to understand. Not everyone can function in our educational infrastructure and how dare anyone pass judgment and say they are inferior in any way. My lesson: to not be afraid of the mandates of this society. This is the true story of a mom, protecting her children, and learning that their true purpose is to not only protect me, but everything else as well. I am again tenacious; for all that is Indigo.
