## DONAUSTAUF AND WALHALLA (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Donaustauf and Walhalla About four English miles from Ratisbon down the Danube where the less hard lime-stone and sandstone hills are giving place to the iron-hard mountains of granite in order to leave to these alone the guard of the more and more enlarging Danube, appears amidst other hills one of a conical form which, showing from top to toe the constituent parts of primitive rock, firmly, like a regular champion, opposes himself to the mighty waves of the stream. This eminence was formerly covered with wood and shy game only lived in its caves. Stauf or Stauf on the Danube, was this promontory called as well as the castle on its summit, on account of its form and situation, the ancients calling StufTe, Stupfe, Stuppe, Stauf every elevated place which is reached by a slight and gradual ascent. History tells us that the celebrated Ergilder or Engelschalk, margrave of Austria or Panonia executed in 880 at Donaustauf his function as a country judge. This is the very same who afterwards was destituted from his charge and blinded for having ravished a daughter of King Arnulf. The chapter of Ratisbon had from very early time acquired considerable property in the environs of Stauf and chiefly owed it to the munificence of the German emperors. The castle of Stauf was, according to a chronicle of that time, built in 914 till 930 by Tuto, bishop of Ratisbon. Towards the midst of the 10th century there was beside the very mighty bishop a most opulent burgrave, elevated to the dignity of a prince, reigning over Ratisbon. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find...
