Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

NavPress, United States, 1996. Book. Condition: New. Language: English . Brand New Book. A Church DividedThe church in Corinth was divided, and Paul, their founding pastor, found himself defending his ministry to them. False teachers had begun spreading lies accusing Paul of selfish motives. But Paul saw this division for what it was--a threat to the gospel of Jesus. Paul wrote this second letter to remind the Corinthians how he d worked among them. He wasn t defending himself--he was defending the gospel by placing both himself and the Corinthians under the authority of Jesus Christ. His humble approach is a model for every ministry leader today.LifeChangeLifeChange Bible studies will help you grow in Christlikeness through a life-changing encounter with God s Word.
