Limelight Editions. Paperback. Book Condition: New. Paperback. 220 pages. Dimensions: 8.3in. x 5.7in. x 0.6in.(Limelight). Looking back on a century that witnessed the emergence of motion pictures to become, almost immediately, a dominant cultural force in our lives, this penetrating and provocative book argues that movies (like cathedrals) cannot help but display the subconscious impulses of their society. From D. W. Griffith to the Marx Brothers to film noir, what are conceived and consumed as innocent pop movies . . . are in fact manifestations of wild horror, superstitious ignorance, fatalistic dread and bigoted savagery. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
