He thinks of himself as a dreamer, but the Mother Blessing has other plans for him. She is the Mother of their world, the Great Goddess. She appears to him one day under the Winter Tree, and asks him to enter Mage School. But no one in my family has ever been a Mage. You will, she says, and then disappears. But before he can go to Mage School he must convince his parents that he should go, then his request must be brought before the Elden. Then he must pass a test put to him by the grand Mage Astitaal. And that is just the beginning. He has an ally in the Mother Blessing, who sends him a teacher when he least suspects it.
