Reviews

A top quality ebook and the font used was fascinating to read through. It is written in easy terms and not confusing. It's been written in a remarkably easy way in fact it is simply after I finished reading through this publication through which actually altered me, alter the way I believe.

World Wisdom Books, United States, 2015. Hardback. Condition: New. Language: English . Brand New Book. We are brave and ready to fight for our lands. I will go now and I will fight you. As long as I live, I will fight you for the last hunting grounds of my people, said Red Cloud, war chief of the Oglala Lakota, to Colonel Carrington. The year was 1866, the Civil War had just ended, and the Bozeman Trail was the shortest route for prospectors to reach the gold rush territory of Montana-except that it passed straight through the lands of the powerful Oglala Lakota! When the US government demanded the construction of forts along the trail, the situation quickly dissolved into war. Captain William Fetterman had proudly boasted that he could destroy the entire Lakota nation with just 80 men. Red Cloud, with the support of Crazy Horse and Sitting Bull, had other ideas. In this commemorative edition, marking the 150th anniversary of Red Cloud s War, Goble recounts the tale of events through the eyes of Brave Eagle, a fictional young Lakota warrior. This new edition features an original never-before-published layout, updated and edited text, digitally enhanced artwork, and a new foreword by Robert Lewis, a Cherokee, Navaho, and Apache storyteller.
