Brand New Book ***** Print on Demand *****.Excerpt from Chicago s Schiller-Gedenkfeier: Souvenir How has the perspective changed with the lapse of time! To-day the name of Klopstock is hardly more than a name, save to the professional scholar; the conspicuous actors of the Napoleonic era, the men who once filled the world with the noise of their debates, are all forgotten or live only on the page of the historian; but the quiet dreamer, he whose mortal coil was so unceremoniously consigned to the tomb a hundred years ago, is with us as a mighty and benignant presence. For him the kindly thought of a great people has built the most precious monument that the Genius of Humanity knows how to build to those who have served it well. All over the world, in this month of May, Wherever Germans dwell and the Ger man language makes music in the heart, companies of men and women will be assembling for this anniversary, even as we are assembled, to hear of Schiller and to honor his memory.
