

U.S. Foreign Policy s Role in Homeland Security: The Egyptian Case

By Naval Postgraduate School

Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This book presents an analysis of United States (U.S.) foreign policy in Egypt during the rule of Hosni Mubarak. It examines the role of U.S. foreign aid and the policy of extraordinary rendition in the perpetuation of Mubarak s authoritarian regime. The research relates the negative externalities associated with these policies to radicalization theory and illustrates how U.S. foreign policy impacts homeland security. Complementary to this discussion, the thesis examines the nature of political Islam in order to challenge the perspective that it is an ideological rival of democracy and to illustrate its role as a stabilizing force in Middle Eastern governments and U.S. national security. Lastly, the research reveals the imbalance of power in the U.S. government contributing to foreign policy that is in-consonant with the proliferation of democracy and the promotion of human rights.

Reviews

Complete guideline! Its such a excellent read. This really is for all who statte there had not been a worth studying. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Timothy Lynch**

It is not difficult in go through easier to understand. It normally fails to price too much. I am very happy to inform you that this is actually the greatest ebook i actually have read through within my personal lifestyle and can be he best publication for ever.
