CHANGING THE WORLD WITHOUT MONEY OR GOD: A MINDFUL JOURNEY INTO CONSCIOUSNESS AND FREE THOUGHT (PAPERBACK)

Charles T Rentz, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. SALES and MARKETING Note: At the end of the description below is a bullet list of why people will purchase this book. This book ALSO has great potential for reaching the international market. Description of Book and Short Synopsis: As a rapidly evolving psychological species, the fact is: The human race has reached a tipping point in human consciousness and a time when more people than ever are looking for answers beyond traditional faith based concepts, and distorted governmental solutions. We are beginning to see the folly in our maladaptive coping mechanisms that used to offer comfort from our current individual and collective challenges. Many of us are also tired of making sense of contradictory ideas pervading our society that are leading us astray. In order to make our lives happier and the world a better place, many human beings are passionately seeking new perspectives and solutions to our mutual human endeavors. Deep within the minds and hearts of more individuals than ever before, (especially our youth), is a deep yearning for higher purpose and need to feel connected with something greater than our own selfish desires. Many of us have emotionally and intellectually evolved to a point where we are looking beyond the outdated ideas of god, and seeking to establish a permanent relationship with our highest conscious self, who strives to bond with the entire human race as a whole. This book offers a means of opening up to oneself, and instills a sense of unity among our species that is much needed in our global culture-we are more alike than we are different. On earth, where new ideas and solutions are urgently needed and paramount to coexisting peacefully, through...
