## PARADOX OF CONSCIOUS HEALING (PAPERBACK)

Dog Ear Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Emotional pain is interconnected with disease and pain. Ten years in the making, Paradox of Conscious Healing explores the power of both the mind and spirituality, along with mind-body healing. By providing step-by-step tools to improve happiness and health, the book will appeal to a wide range of audiences and is intended to not only help individuals with illnesses but to educate medical healthcare providers to assist their patients healing. Walking away from his medical practice, Dr. Otani searched to find cures for the incurable. Conventional medicine turns primarily to greater drugs and technology--but at the cost of exponentially greater expense. Dr. Otani's journey led to the study of consciousness, psychology, and the spiritual healing practices of different religions, including those of the Native American. How was it that avatars of great spiritual traditions were able to perform miraculous healing? Paradox of Conscious Healing has been clinically tested by actual patients to verify its efficacy. Taking the book's concepts into real life, Dr. Otani instituted a holistic program for his patients based on the concepts in this book. The program was transformative--not only for those patients but for Dr. Otani, as well. The principles presented in this book not only helped patients with their pain but in all aspects of their illness. The lessons in this book also improved the committed participant's relationships and wealth. It is Dr. Otani's hope that this book will do the same for you, the reader. Dr. R. Kelley Otani is a board-certified physician specializing in physical medicine and rehabilitation. He graduated from the University of California, Davis, and did his residency at the University of Washington. He was the...
