When I woke from my sleep I heard screams. I looked to my left to find Kristina was not in the bed with me. I threw myself out of bed and immediately went to my daughter s room. She was there safe, and sound asleep. I then began to panic. Where was Kristina? Xander Lestat. An age old vampire, Captain of the kings guard, mate, father, and friend. Here he tells the story of the love of his life and the daughter born from that love. Xander has tough decisions to make as he watches his daughter grow up. There was one thing he was certain about. His daughter is his only heir; he was going to train her to take over his clan one day. The one thing that stood in his way was his daughter s wishes.
