Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Archway Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.July 27, 1991, author Geri Petito made a decision to stop using drugs. She was what you might call a functioning drug addict. Her family didn't know she used and most of her friends were unaware as well. But that day came when she knew she was spiraling out of control. Petito checked herself into a rehab facility and stayed there for the full thirty days. It changed her life. In *I m Not an Addict . I m Just an Ass!*, she narrates a personal, intimate, honest, and sometimes lighthearted account of her road to recovery, a story that inspires others to take the same journey. She shares the steps she took to change her thinking from unhealthy to healthy, including honesty, faith, surrender, soul-searching, integrity, acceptance, humility and enabling, willingness, forgiveness, maintenance, making contact, and service. Petito tells how she felt anger, frustration, and pessimism, and how it eventually turned into hopefulness, gratitude, and empowerment. *I m Not an Addict . I m Just an Ass!* communicates that these emotions are essential to the start of the road to recovery—beginning a new life with a healthy mind, body, and spirit.
