John Hunt Publishing, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. The problem is not how to manage the capital system, but to get rid of it . And who will do the job? These are the questions posed at the start of Cliff Slaughter s latest book. Recognising the importance of Istvan Meszaros s analysis - in *Beyond Capital* (1995) and other books - of the historic, structural crisis that has taken capital into its stage of destructive self-reproduction , *Against Capital* focuses on the crucial question of agency. He offers an extended critique of vanguardist conceptions such as Trotsky s the crisis of humanity is reduced to the crisis of working-class revolutionary leadership and Kautsky s and the early Lenin s formulation that socialist consciousness must be brought to the working class from the outside . Finally, *Against Capital* examines the necessary theoretical foundations of a rebuilt working-class movement, with special attention to the concepts of class-consciousness and the relation between theory and practice. This book is a compelling and distinctive contribution to recent debates encompassing works such as Thomas Piketty s *Capital*...
