Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Sondra Faye was born in the United States of America. here is a collection of poems; some were printed in various literary poetry magazines. here includes some of her slanted poems which is a literary device she uses to write a poem inside a poem. The slanted poems such as. Angel, trinket and 26th st. orchid incorporate the surreal sound of two voices. With poems enlisting e.e. cummings, John Keats and Edgar Allan Poe as muse; a paranormal flare is infused in the nakedness of the words in here. Amidst unfiltered subjects about passion, flirtation, human sexuality and unsympathetic love, Sondra Faye writes intimate poems about her friends including a poem about the tragic young death of one of her best friend s twin sister. A multi-media artist and poetess she considers herself lucky to live on a planet where it s okay to be addicted to poetry. Her intention for anyone reading this book is that they will stay inspired and find happiness inside the reason they are here. Second Edition in Black and White.
