Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

SHELTER ME: A SHELTER NOVEL (VOLUME 1)

Stephanie Tyler, LLC. Paperback. Condition: New. 326 pages. Dimensions: 8.0in. x 5.0in. x 0.8in. There are ghosts in my past, ghosts I can't recognize. My painting heals me, but Lucas Caine has made me come alive. My past could take both those things away forever. What started out as an undeniable need to create was quickly turning into danger as my longing for memories fed the rough canvases I filled. Falling for Lucas will force me to revisit my lost memories and possibly lose myself, my art, and him in the process. And now he has me skating the thin edge between desire and fear as I use a past I don't remember to leverage a future I'm not sure I want. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
