Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Dialectic or dialectics, also known as the dialectical method, is a discourse between two or more people holding different points of view about a subject but wishing to establish the truth through reasoned arguments. The term was popularized by Plato's Socratic dialogues but the act itself has been central to European and Indian philosophy since ancient history. The term dialectic is not synonymous with the term debate. While in theory debaters are not necessarily emotionally invested in their point of view, in practice debaters frequently display an emotional commitment that may cloud rational judgment. Debates are won through a combination of persuading the opponent, proving one's argument correct, or proving the opponent's argument incorrect. Debates do not necessarily require promptly identifying a clear winner or loser; however clear winners are frequently determined by either a judge, jury, or by group consensus. The term dialectics is also not synonymous with the term rhetoric, a method or art of discourse that seeks to persuade, inform, or motivate an audience. Concepts, like logos or rational appeal, pathos or emotional appeal, and ethos or ethical appeal, are intentionally used by rhetoricians to persuade an audience. The Sophists taught excellence as the highest value, and the determinant of one's actions in life. The Sophists taught artistic quality in oratory (motivation via speech) as a manner of demonstrating one's excellence. Oratory was taught as an art form, used to please and to influence other people via excellent speech; nonetheless, the Sophists taught the pupil to seek excellence in all endeavours, not solely in oratory. Socrates favoured truth as the highest value, proposing that it could be discovered through reason and...
