But when it looks like the daughter may become the next victim, Cape crosses the border looking for answers. Cape asks his deadly companion Sally, trained by the Hong Kong Triads, to watch his back as he stumbles onto a conspiracy that leads from corporate boardrooms in San Francisco to strongholds in Mexico. Together they confront a killer determined to bury the past along with anyone trying to dig it up. Miles away from home and nowhere near finding the answers, Cape manages to get kidnapped, steal from the mob, piss off the DEA, alienate the local police, confound a computer genius, and somehow lose the client he's been protecting all along. *Greasing the Pinata* is a novel about family, politics, and the devastating effects of tequila on a private detective's investigative abilities.
