Recorded Books on Brilliance Audio, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. First used in medieval Venice as a deftly maneuverable getaway boat, the gondola evolved over the centuries into a floating pleasure palace, bedecked in silk, that facilitated the romantic escapades of the Venetian elite. Today, the gondola wears black--a gleaming, elegant hue, and is manned by robust gondolieri in black-and-white-striped shirts and straw hats. A tourist favorite, the gondola has never ceased to be a part of authentic Venice. Each boat s 280 pieces are carefully fashioned in a maestro s workshop--though Leon also recounts a tale of an American friend who attempted to make a gondola all on his own. The feat took five years and countless do-overs. But the gondola is a work of art well worth the labor.
