Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.I have been absolutely amazed at the complexity of the whole prison situation and the variety of rules and authorities that oversee the various facilities. I want to offer some ideas here for consideration. My ideas will probably not be boring but they may be impractical in many facilities because of design differences, regulating authorities and geographical variables. Digging in of prisoners and staff may yield more complexity that helps no one. When situations deteriorate further, solitary confinement may be the result. The words used to describe solitary experiences portray a void of kindness which may be less than motivational and may not be beneficial to the situation or anybody. ----- The books that I have previously published so far about the prison situations are: Angel Raphael Speaks Volume 4: Angels, Addicts, Alcoholics Prisoners - Oh Yeah!
