

What s a Schmuck / Kosher Baseball (Paperback)

Filesize: 9.04 MB

Reviews

This is the greatest book we have read through till now. It is probably the most amazing book we have go through. I am just happy to tell you that here is the greatest book we have read through during my individual daily life and may be he best ebook for possibly.
(Eliseo Leffler)

WHAT S A SCHMUCK / KOSHER BASEBALL (PAPERBACK)

Fideli Publishing Inc., 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Oddly, schmuck is a German word. An adjective meaning attractive, or a noun meaning a piece of jewelry. But the Yiddish or Jewish use of the word means almost the opposite. It is a word meaning penis or prick, but is frequently used to indicate an obnoxious or contemptible person. I got interested in the word myself from a Yiddish buddy of mine, who admired Mel Brooks the actor and movie producer-director. My Jewish friend is a rare blend of humorist and intellect -- Barry Hyman -- a tall, well-built former professor of Mechanical Engineering at the University of Washington. Barry keeps me laughing -- a truly therapeutic experience. Barry and I used to toss the baseball back and forth and then sit and chat for long moments. On one occasion, he presented me with a paper oddly titled Save the word Schmuck and written by Mel Brooks. After his movie Blazing Saddles, I had come to admire Mel as a premier humorist. My interest in the word lingered, and led me to think about situations where the word would surface in a social environment, during verbal encounters. A real schmuck, such a schmuck already, that guy doesn't know diddly shit -- a total schmuck, are some examples. To try and put things into perspective, trying to describe the word schmuck is like trying to portray or depict a sunset or a rainbow while getting soused during your grandson's Bar Mitzvah. So, anyway, read on my noble friend. I hope you enjoy and may your days be merry as you encounter many schmucks.
