In Harmony, we are frequently meeting with cases in which the rules of the old text-books need much modification; but with regard to Fugue there are few indeed of the old precepts which are not continually, not to say systematically violated by the greatest masters. The reason for this is no doubt that the standard authorities on the subject, Fux and Marpurg, treated it from the point of view of the seventeenth century, and that most of their successors, such as Cherubini and Albrechtsberger (to name two of the most illustrious), have in the main adopted their rules, taking little or no account of the reformation, amounting almost to a reconstruction, of the fugue at the hands of J.S.
