

## West Yorkshire Cycle Routes Map

Filesize: 7.76 MB

### **Reviews**

*A new electronic book with a new point of view. it was writtern extremely completely and benefical. Its been written in an extremely straightforward way in fact it is simply following i finished reading this publication through which really altered me, alter the way i really believe.*

*(Dr. Florian Runte)*

## WEST YORKSHIRE CYCLE ROUTES MAP

SUSTRANS, United Kingdom, 2012. Sheet map, folded. Book Condition: New. 240 x 144 mm. Language: English . Brand New Book. This is the Sustrans cycle routes map in the Discover series detailing the National Cycle Network and other routes in West Yorkshire. Amongst other highlights, the map shows the West Yorkshire Cycle Route and parts of the Way of the Roses, Trans Pennine Trail and Yorkshire Dales Cycleway. West Yorkshire is one of Britain's great metropolitan heartlands with more than two million people living in its cities, towns and villages. Over the last 25 years Sustrans has been working with local authorities and other partners to develop the National Cycle Network - this map shows the progress made, together with a multitude of other signed and recommended routes. Highlights are many but to show just how convenient and enjoyable riding your bike can be, try the following: the Airedale Greenway through Saltaire World Heritage Site; the award winning Spenn Valley Greenway between Bradford and Dewsbury; out of Harrogate on the new greenway across the Nidd Gorge; and on the Wyke Beck Way in Leeds. The map shows all the railway stations where you can catch a train with your bike, or leave it parked safely. 15 inset city/town maps are shown for Ripon, Harrogate, York, Keighley, Halifax, Shipley, Hebden Bridge, Holmfirth, Selby, Leeds, Dewsbury, Barnsley, Bradford, Huddersfield and Wakefield. It features: clearly mapped traffic-free and on-road National Cycle Routes and other cycle routes; detailed inset maps of towns and cities, National Cycle Routes and linking routes; land profiles for the featured cycle routes; easy to read contours; Local Tourist Information Centre, bike shop and hire centre details; and, printed on waterproof paper.
