Potomac Books Inc, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. During World War II and the beginning of the Cold War, Richard W. All of these events are recounted against the fascinating background of postwar Germany. He provides a vivid picture of the mood of the German people, how they rationalized war guilt, and how they coped with the devastation throughout the country. With photographs and a foreword by bestselling...
