ADVANCING PRIMARY CARE: COUNCIL ON GRADUATE MEDICAL EDUCATION TWENTIETH REPORT

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.As a result of a number of factors including compensation, practice environments, and experience in medical school, there is a shortage in the number of primary care physicians that is accelerating. In addition, a percentage of obstetricians/gynecologists serve as primary care providers, particularly among their younger female adult patients. While there are real shortages in general surgery and...

Comprehensive manual! Its this sort of excellent read through. We have read through and i also am certain that i will going to read through once more again later on. You wont sense monotony at at any time of your time (that's what catalogs are for regarding in the event you question me).

-- Prof. Geraldine Monahan

It in a of my personal favorite book. It is written in easy terms and never hard to understand. Its been designed in an exceedingly easy way and it is only after i finished reading this publication by which in fact changed me, change the way i think.
