THE BAHAMAS: LAND OF MILK AND HONEY

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Symbolic Acts and Social Action | Dr. Sherouse's insightful study provides "insider" details of the transition in The Bahamas from British colony to independent country. He analyzes the ongoing process of legitimation and delegitimation of Bahamian political parties and of the transfer of authority from the white minority to the black majority. It is a story of social and political struggle that takes place within the quarter century following World War II...

Reviews

The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.
