PRINCIPIA LATINA: AN INTRODUCTION TO THE LATIN LANGUAGE (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Principia Latina: An Introduction to the Latin Language This book is the result of a conviction that if the Latin language is to be well learned in the time usually devoted to its study in this country, it is necessary that the whole subject should be simplified, and that if possible the number of separate facts which have to be remembered should be diminished. It is not denied that many of the grammars and introductory exercise books in general use contain sufficiently full and correct statements of these separate facts, but it is believed that in none of them are the facts classified in the most scientific way, and that in none is the most judicious method adopted of presenting them to the youthful mind. It seems again not to have occurred to the framers of the books in use that the lengthy statement of rules of syntax not only renders the acquisition of them by young people a work of enormous labor, and of nearly infinite time, but that the same lengthy statement almost certainly precludes the efficient use of them when acquired. For what teacher, even the most indefatigable, can call upon his pupils to give the rules for the various constructions of nouns...
