

Aftershock: Confronting Trauma in a Violent World: A Guide for Activists and Their Allies

By Patrice Jones

LANERN BOOKS, United States, 2007. Paperback. Book Condition: New. annotated edition. 198 x 128 mm. Language: English . Brand New Book. patrice jones sets the stage to begin healing the trauma associated with not just resisting oppression and injustice, but having to experience it. She offers real steps toward recognizing and correcting the problems facing humans, our planet and our animal relations. This book is a light in the dark for those of us who have dared to challenge the status quo. Jeffrey Free Luers, Imprisoned Eco-Activist patrice jones has her finger on the pulse of the real America . . . a country teeming with homeless shelters, alcohol and drug rehab centers, rape crisis hotlines, battered women s shelters, prisons, law enforcement agents, and soldiers. Aftershock is a manual for the many wounded souls seeking to survive such trauma and to participate in the struggle for a more just society. Mickey Z., author of The Seven Deadly Spins and 50 American Revolutions You re Not Supposed to Know Listen to patrice. patrice jones is one of the most important new voices in the animal liberation movement. Josh Harper, SHACT7 Aftershock is about the real war against terror the struggle...
