Reviews

Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Lori Terry)

LA BOURSE ET SES BACK-OFFICES (4E EDITION)

[DOWNLOAD](#)

ECONOMICA, 2006. Paperback. Condition: NEUF. Après la fusion de la bourse de Paris avec celles d'Amsterdam, de Bruxelles et de Lisbonne au sein d'Euronext, le rachat du LIFFE par Euronext et la transformation de la Sicovam en Euroclear France au sein du groupe Euroclear, les réflexions et actions de rapprochement sur les marchés boursiers et les plates-formes post-marché se poursuivent désormais non seulement à l'échelle européenne, mais également internationale et transatlantique. Ces éléments majeurs de changement passé et futur ont fait apparaître la nécessité de réaliser une synthèse descriptive et à jour des différents circuits actuels de traitement des titres, aujourd'hui très informatisés pour les marchés Euronext. Après une présentation des principaux acteurs, marchés et produits boursiers, cet ouvrage décrit les outils et procédures utilisés pour le traitement des titres et leurs règlements/livraisons. Ce livre s'adresse aux étudiants en gestion et aux jeunes professionnels du secteur financier et boursier, ainsi qu'à tous ceux qui désirent connaître les nouveaux rouages de la bourse et ses back-offices. - Nombre de page(s) : 170 - Langue : fre - Genre : Gestion financière et fiscalité, Bourse TECHNIQUES DE GESTION.
