This book contains 2 booklets. Booklet One titled, Baptisms in New Testament Scriptures reveals the plurality of baptism and also reveals the one baptism that was taught by Paul. Throughout the Church history through the many centuries many different Christian sects had/have understood and interpreted baptisms differently. Concerning water baptisms there were/are different practices of water baptism such as full immersion in water versus water sprinkling; water baptism of adults and youths versus water baptism of infants. There are also practices of water baptism and baptism of Holy Spirit as separate practices. To some Christian sects water baptism was/is essential to the salvation of the believers. To other Christian sects water baptism was/is not an essential part of the gospel of salvation. However, the Lord Jesus Christ commanded His apostles to make disciples and to baptize them into the name of the Father, also of the Son and also of the Holy Spirit as well as to teach believers to keep all His commandments. Despite all the different practices of baptisms b different Christian sects the true significance and importance of water baptism and baptism of Holy Spirit according to Scriptures were/are hardly explained by these Christian sects. The purpose of this Booklet One is to reveal the truth concerning water baptisms, how they should be practised and the significance and importance of water baptism and baptism in Holy Spirit and how the practices of water baptism are related to the gospel of salvation. The second booklet titled, Table of Lord or popularly known as communion is released to reveal the true significance and importance of partaking Table of Lord to all true believers. Many so-called professing believers partake Table of...
